

BOLO 1

BOLO for a vehicle headed this way from the North Pole, Suspect vehicle is described as a large open sleigh, red in color and gold trim, being pulled by 9 reindeer, bearing registration M-Merry E-Edward R-Robert R-Robert Y-Young.

The vehicle is being guided by a male subject, approximately 75 years of age with twinkling blue eyes, rosy red cheeks, white hair and a white, flowing beard, wearing a red and white coat, red pants, black boots and a red cap.

Suspect goes by the name of 'Santa Claus' , but also has aliases of Kris Kringle, St. Nick, and Father Christmas. Suspect has been seen making entry to numerous residences, possibly through chimneys. Subject is described as jolly, and very elusive.

All suspects were seen going from rooftop to rooftop, carrying a large sack stuffed with unknown contents. Suspect has been heard leaving each location shouting "Merry Christmas to all, and to all a good night." If located, North Pole PD and children everywhere are requesting that he be sent on his way, for he has good will and peace to spread throughout the land.

On behalf of everyone at dispatch, we want to thank you all for your personal sacrifice; being here on this holiday away from your families and helping protect the citizens of _____.

Merry Christmas!

BOLO 2

Attention _____ Residents,

All boys and girls ages 1-99, it's time for bed.
Santa will soon be over head!
He and his crew have traveled all night,
They have lots to do before day light.
Get out the milk, cookies and treats for the reindeer
And then head to bed, for Santa will soon be here!!

From _____ Communications,

Merry Christmas to All and to all a good night!
